All students must adhere to the regulations set forth in the FCPS Student Rights and Responsibilities Handbook and After-school Rules. Any violation that results in removal from the After-school program will result in forfeiture of this fee. Due to the nature of the items being used, it is absolutely necessary that students follow the rules and act responsibly. The ASP administration reserves the right to remove a student from the program in the event they show disregard of the rules. We want to provide a safe, fun environment for all.

\* In the event of cancellation, all efforts will be made to reschedule the class. There will be no refund if a student does not attend the program as supplies are purchased in advance based on registration numbers.
